

Financial Statements

**Canadian Baptist Ministries**  
December 31, 2015

# INDEPENDENT AUDITORS' REPORT

To the Members of  
**Canadian Baptist Ministries**

We have audited the accompanying financial statements of **Canadian Baptist Ministries**, which comprise the balance sheet as at December 31, 2015, and the statements of operations, changes in net assets and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

## **Management's responsibility for the financial statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

## **Auditors' responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Opinion**

In our opinion, the financial statements present fairly, in all material respects, the financial position of **Canadian Baptist Ministries** as at December 31, 2015, and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

## **Canadian Baptist Ministries**

### **NOTES TO FINANCIAL STATEMENTS**

December 31, 2015

#### **1. PURPOSE OF ORGANIZATION**

Canadian Baptist Ministries [“CBM”] is incorporated without share capital under the laws of Canada. CBM has continued under the Not-for-profit Corporations Act. Its mission is to unite, encourage and enable Canadian Baptist churches in their national and international endeavours to fulfill the commission of our Lord Jesus Christ, in the power of the Holy Spirit, proclaiming the gospel and showing the love of God to all peoples.

CBM is a charitable organization registered under the Income Tax Act (Canada) and, as such, is exempt from income taxes and able to issue donation receipts for income tax purposes.

#### **2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

These financial statements are prepared in accordance with Part III of the Chartered Professional Accountants of Canada Handbook – Accounting, which sets out generally accepted accounting principles for not-for-profit organizations in Canada and includes the significant accounting policies set out below.

##### **Revenue recognition**

CBM follows the deferral method of accounting for contributions, which include grants, bequests and other donations. Grants and bequests are recognized when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured. Other donations are recorded when received since pledges are not legally enforceable claims. Unrestricted contributions are recognized as revenue when initially recorded in the accounts. Externally restricted contributions, except endowment contributions, are deferred when initially recorded in the accounts and recognized as revenue in the year in which the related expenses are recognized. Externally restricted endowment contributions are recognized as direct increases in net assets when initially recorded in the accounts.

Investment income (loss), which consists of interest, dividends, and realized and unrealized gains and losses, is recorded as investment income (loss) in the statement of operations, except to the extent it is externally restricted, in which case it is added to or deducted from balances restricted for endowment or other purposes.

##### **Cash and cash equivalents**

Cash and cash equivalents consist of cash on deposit and short-term investments with a short term to maturity of approximately three months or less from the date of purchase, unless they are held for investment rather than liquidity purposes, in which case they are classified as investments.

## Canadian Baptist Ministries

### NOTES TO FINANCIAL STATEMENTS

December 31, 2015

#### Capital assets

Purchased capital assets are recorded at cost. Amortization is provided on a straight-line basis over the estimated useful lives of the assets as follows:

##### Tangible

|                         |          |
|-------------------------|----------|
| Buildings               |          |
| Canada                  | 40 years |
| Overseas                | 20 years |
| Furniture and equipment | 5 years  |
| Computers               | 5 years  |
| Vehicles                | 5 years  |

##### Intangible

|                      |         |
|----------------------|---------|
| Software and website | 5 years |
|----------------------|---------|

#### Financial instruments

Investments are recorded at fair value. Transactions are recorded on a trade date basis, and transaction costs are expensed as incurred.

Other financial instruments are initially recorded at fair value and subsequently measured at amortized cost, net of any provision for impairment, except when the interest rate is not a market rate and there are no fixed terms of repayment. In this situation, the financial instrument is initially recorded at cost since it is not possible to calculate a fair value.

Forward currency contracts that are not designated as effective hedges are carried at fair value, with changes in fair value during the year recorded in the statement of operations.

#### Foreign currency translation

Foreign currency revenue and expense amounts are translated into Canadian dollars at average monthly rates. The market value of investments and other monetary assets and liabilities denominated in foreign currencies are translated at the year-end rate. Non-monetary assets and liabilities are translated at historical exchange rates. Exchange gains and losses are included in the statement of operations, except to the extent that they relate to investments, in which case they are accounted for consistent with investment income (loss).

## **Canadian Baptist Ministries**

### **NOTES TO FINANCIAL STATEMENTS**

December 31, 2015

#### **Contributed materials and services**

Volunteers contribute a significant number of hours each year to assist CBM in carrying out its mission. Because of the difficulty in determining their fair value, contributed materials and services are not recognized in the financial statements.

#### **Pension plan**

CBM participates in a multi-employer defined contribution pension plan that covers substantially all of its employees. The contributions to the plan are expensed on an accrual basis.

#### **Non-pension post-retirement benefits**

CBM maintains a non-pension post-retirement defined benefit plan providing non-pension post-employment benefits for substantially all of its employees and provides life annuities to certain former employees. CBM accounts for these benefits using the immediate recognition approach. Under this approach, CBM recognizes the amount of the accrued obligation in the balance sheet. CBM accrues its post-retirement benefit obligations as employees render services. The cost of non-pension post-retirement benefits earned by employees is actuarially determined using the projected benefit method pro-rated on service and management's best estimate assumptions. Employee future benefit obligations are discounted using current interest rates on long-term bonds. The accrued benefit obligation is determined using a roll-forward technique to estimate the accrued liability from the most recent actuarial valuation report that is prepared at least every three years. Current service and finance costs are expensed during the year, while remeasurements, representing past service costs and actuarial gains and losses, are recognized as a direct increase or decrease in net assets.

#### **Allocation of expenses**

The costs of each function include the costs of personnel and other expenses that are directly related to the function. General support and other costs are not directly allocated. Instead, overhead expenses are allocated to project costs equal to 15% of certain direct program expenses. This allocation is included in the costs for each project. These allocated expenses are recorded, together with the direct costs, in program expenses in the statement of operations.

## Canadian Baptist Ministries

### NOTES TO FINANCIAL STATEMENTS

December 31, 2015

#### 3. ACCOUNTS RECEIVABLE

Accounts receivable consist of the following:

## Canadian Baptist Ministries

### NOTES TO FINANCIAL STATEMENTS

December 31, 2015

#### 6. DEFERRED CONTRIBUTIONS

Deferred contributions represent restricted operating funds that are related to subsequent years. The primary categories in the year-end balance of deferred contributions are as follows:

|                            | 2015             | 2014             |
|----------------------------|------------------|------------------|
|                            | \$               | \$               |
| International Partnerships | 3,590,912        | 3,944,481        |
| Canadian Partnerships      | 213,096          | 143,594          |
| Other                      | 238,004          | 218,845          |
|                            | <b>4,042,012</b> | <b>4,306,920</b> |

#### 7. OTHER LONG-TERM LIABILITIES

Other long-term liabilities consist of the following:

|                        | 2015           | 2014           |
|------------------------|----------------|----------------|
|                        | \$             | \$             |
| Deferred contributions | 403,900        | 391,376        |
| Revocable trusts       | 130,000        | 130,000        |
| Irrevocable trusts     | 87,000         | 87,000         |
| Note payable           | 20,000         | 20,000         |
|                        | <b>640,900</b> | <b>628,376</b> |

Deferred contributions represent the principal amount of a legacy, the principal and interest of which are available to fund students studying for ministry in Canadian Baptist churches. The principal amount has been classified as long-term since the Board of Directors [the "Board"] has determined that the capital will be retained and the Investment Rate Policy [note 9] will be applied. In 2015, the balance was increased in accordance with this policy by \$13,129 [2014 – \$20,052], representing the excess of the actual investment income over the amount made available for spending and administration.

The revocable trusts are forgivable upon the death of the donor; therefore, there are no fixed terms of repayment. Interest is paid at the rate determined by the donor to a maximum of the five-year GIC rate less 0.5%. The irrevocable trusts are trusts that are the property of CBM with interest paid to a maximum of the five-year GIC rate less 0.5% during the life of the donor. The weighted average interest rate paid on these trusts was 1.5% [2014 – 1.5%].

## Canadian Baptist Ministries

### NOTES TO FINANCIAL STATEMENTS

December 31, 2015

The note payable is non-interest bearing and forgivable upon the death of the donor; therefore, there are no fixed terms of repayment.

#### **8. CREDIT FACILITIES**

As at December 31, 2015, CBM had an available secured line of credit of \$500,000 bearing interest at the bank's prime rate plus 1%. No amounts have been drawn on this credit facility as at December 31, 2015 or 2014.

#### **9. NET ASSETS RESTRICTED FOR ENDOWMENT PURPOSES**

Effective January 1, 2004, the Board approved the "Investment Rate Policy" designed to protect the real value of net assets restricted for endowment purposes by limiting the amount made available for spending [currently set at 4.0%] and requiring any income earned during the year in excess of the amount made available for spending to be added directly to the balance of net assets restricted for endowment purposes, net of an administration fee of 0.5%. In any particular year, should net investment income be insufficient to fund the amount to be made available for spending or the return on the investment results is an investment loss, the amount that is to be made available for spending is deducted from endowment net assets.

In 2015, total investment income of \$277,586 [2014 – \$339,419] was earned on net assets restricted for endowment purposes. The difference between this amount and the amount made available for spending of \$145,631 [2014 – \$138,069] calculated in accordance with the Investment Rate Policy plus the \$16,490 [2014 – \$16,490] administrative fee is \$115,465 [2014 – \$184,860] and was added to net assets restricted for endowment purposes. Of the amount made available for spending and the administrative fee, totalling \$162,121 [2014 – \$154,559], \$107,721 [2014 – \$102,101] [note 6] was recorded as an increase in deferred contributions and \$54,400 [2014 – \$52,458] was recorded as investment income [note 4[c]].

#### **10. INTERNALLY DESIGNATED NET ASSETS**

Internally designated net assets consist of a reserve fund that represents amounts set aside to cover unexpected deficits. In 2014, the Board approved a change in the policy. The policy states that this fund, together with unrestricted net assets, shall not be allowed to fall below 12% or be in excess of 25% of the previous year's expenditures.

This fund is currently at 17% and therefore is compliant with the Board's policy.

## Canadian Baptist Ministries

### NOTES TO FINANCIAL STATEMENTS

December 31, 2015

#### 11. CONVENTIONS, UNIONS AND WOMEN'S ORGANIZATIONS

Conventions, Unions and Women's Organizations revenue consists of the following:

|   | 2015             | 2014           |
|---|------------------|----------------|
|   | \$               | \$             |
| Convention of Atlantic Baptist Churches   | 298,198          | 304,929        |
| Baptist Convention of Ontario and Quebec  | 208,653          | 218,417        |
| Baptist Union of Western Canada and Association<br>of Baptist Women of Western Canada | 140,004          | 82,500         |
| Union d'Églises Baptistes Françaises au Canada  | 25,000           | 25,000         |
| Atlantic Baptist Women  | 297,748          | 96,189         |
| Baptist Women of Ontario and Québec   | 135,000          | 150,000        |
|   | <b>1,104,603</b> | <b>877,035</b> |

#### 12. INCOME BENEFICIARY

CBM is the income beneficiary of one externally administered trust with a market value as at December 31, 2015 of \$257,589 [2014 – \$262,805]. During the year, \$9,751 [2014 – \$5,876] has been recorded as revenue from this trust.

#### 13. CANADIAN FOODGRAINS BANK

CBM is a founding member of the Canadian Foodgrains Bank, a federally incorporated non-profit charity for the purpose of Christian-based aid and development that collects donations of grain, cash and other agricultural commodities for distribution to the world's hungry. It enables Canadian Baptists to respond quickly and effectively to food shortages around the world.

Every year, amounts may be transferred from donations to the CBM account at the Canadian Foodgrains Bank. During the years ended December 31, 2015 and 2014, \$130,000 was transferred. These donations may be augmented by direct grain donations from Canadian Baptist farmers, contributions from the general account of the Canadian Foodgrains Bank and from other partners. The Department of Foreign Affairs, Trade and Development ["DFATD"], formerly known as the Canadian International Development Agency, contributes toward some of these projects. CBM's participation is made up of direct projects with its overseas partners or participating in the financing of a project with another Canadian Foodgrains Bank partner. When CBM participates with another Canadian Foodgrains Bank partner, the grant from DFATD is reflected in the lead partner's account.

## **Canadian Baptist Ministries**

### **NOTES TO FINANCIAL STATEMENTS**

December 31, 2015

Audited financial statements of the Canadian Foodgrains Bank as at and for the year ended March 31, 2015 indicate that direct donations of cash and grain attributed to CBM amounted to \$236,941 [2014 – \$305,845]. DFATD grants attributed to CBM for the year ended December 31, 2015 amounted to \$733,372 [2014 – \$766,700]. Of the total shipments of \$43,440,218 [2014 – \$43,456,118], the amount attributed to CBM was \$1,404,029 [2014 – \$1,042,910].

The Canadian Foodgrains Bank internally restricted the net amount contributed and credited to CBM. The amount set aside in the name of CBM at March 31, 2015 was \$570,137 [2014 – \$699,355].

#### **14. EMPLOYEE FUTURE BENEFITS**

CBM's non-pension post-retirement benefit plans comprise life annuities, life insurance and medical/dental coverage for certain groups of employees who have retired from CBM. These financial statements include the accrued benefit obligation and current year's expense related to providing these benefits.

The liabilities of the plans are measured each year at December 31. The most recent actuarial valuation was as of December 31, 2015.

#### **15. ALLOCATION OF EXPENSES**

Support services expenses classified as program expenses for the year totalled \$508,133 [2014 – \$554,569].

#### **16. FINANCIAL INSTRUMENTS**

CBM is exposed to various financial risks through transactions in financial instruments.

##### **Foreign currency risk**

CBM is exposed to foreign currency risk with respect to its cash and investments denominated in foreign currencies because of fluctuations in the relative value of foreign currencies against the Canadian dollar.

During the year, to manage currency risk associated with US dollar transactions, CBM purchased forward currency contracts. As at December 31, 2015, CBM has no outstanding forward currency contract.

## **Canadian Baptist Ministries**

### **NOTES TO FINANCIAL STATEMENTS**

December 31, 2015

#### **Credit risk**

CBM is exposed to credit risk in connection with its accounts receivable and its short-term and fixed income investments because of the risk that one party to the financial instrument will cause a financial loss for the other party by failing to discharge an obligation.

#### **Interest rate risk**

CBM is exposed to interest rate risk with respect to its investments in fixed income securities, the values of which will fluctuate with changes in market interest rates.

#### **Liquidity risk**

CBM is exposed to the risk that it will encounter difficulty in meeting obligations in connection with its financial liabilities.

#### **Other price risk**

CBM is exposed to other price risk through changes in market prices [other than changes arising from interest rate or currency risks] in connection with its investments in equity securities.
