

A Prayer of Thanksgiving from the Worship Pastor

I give you thanks this day O Lord for my work – for the privilege it is to serve as a worship pastor within your Church and your Kingdom.

Though trials and struggles arise within this calling, I am reminded daily of the blessing it is to be able to facilitate times of praise where your people can fix their heart's, soul's, and minds upon you grace and mercy.

Thank you for the musicians and vocalists that I work with; for the talents that they offer to you as an act of worship and for their dedication to your Body.

Thank you for the people who often go unnoticed in worship ministry; for their heart that longs to bring an offering of excellence to their King.

Thank you for the congregation that I serve and for their heart to bring you worship in all its various forms: thanksgiving, lament, confession, supplication, and adoration.

Thank you most of all for your presence with us and for the ways you are ever shaping us to become more like yourself as we seek your face.

I lift up this prayer of gratitude in the name of the Father, Son, and Holy Spirit,

Amen
