## Reading on Worship and Work

(Meant to be read congregationally)

Lord as we enter into worship today, let our praise be a continuation of the worship we have given you throughout this week.

We have sought to praise you in our jobs, our daily tasks, our homes, our classrooms, our senior's homes, our businesses.

We pray that you have been glorified in our walk with you as we have sought to make you known in our neighborhoods, communities and city.

We return to your house today to be transformed by you in order that we may be vessels of transformation in our daily lives through the power of your Spirit.

We submit afresh to your plans for us today, eager to meet with you in this place.

We pray these things in the name of the Father, Son, and Holy Spirit,

Amen.
