MONTHLY
E-NEWSLETTER

Greetings,

As we approach Thanksgiving, we at Canadian Baptist Ministries want to take a moment to express our deep gratitude for you – our faithful supporters.

Each day, we witness how God is at work through our global partners, transforming lives and communities in remarkable ways. Yet this ministry of hope and compassion is not ours alone. It is shared with you – through your prayers, your generosity, and your commitment to joining God in caring for a broken world. Together, we are part of one global family, participating in the same mission of love and reconciliation.

As you gather this week and reflect on the many blessings of God's provision – in creation, in community, and in the simple gifts that bring joy – may your heart be renewed in gratitude for the ways God continues to work through us all.

With thanksgiving,

- CBM's Communications Team

Pray With Us

Prayerline October 2025

Week of October 5, 2025

Africa Pray for churches in Rwanda, which have remained closed for more than a year. Ask God to provide encouragement and perseverance for pastors and congregations.	Latin America and Caribbean Pray for <i>Kathryn Scott</i> and Byron Velasquez as they are on Canadian Assignment this month. Pray for Kathryn as she has the opportunity to share about how God is at work in the Dominican Republic with churches, WMS groups, and more in Atlantic Canada. Pray for Byron as he shares about his ministry with churches in Ontario and Atlantic Canada.
Asia Philippines - Pray for KPM as they host lay leader seminars in Capiz - Circuit A at <i>San Antonio Baptist Church</i> (Sept 27) and Circuit B at <i>Christ Centered Church in Roxas City</i> (Oct 4) - with about 50 participants each. Ask God to guide their planning for future projects to serve churches and communities, and to bless their ongoing care for vulnerable children in <i>Libas</i> and <i>Nipa</i> through education support and medical services.	MENA Pray for our partners in Lebanon supporting migrant domestic workers who have suffered abuse under the "kafala" sponsorship system. Many of these migrant women are abused or abandoned by their sponsors, then thrown in jail if they run away or overstay their visa. Ask God to strengthen this ministry of legal, spiritual, and practical care for these women.
Europe Kassel – On October 5, the church is hosting a Mid-Autumn Festival outreach. Pray for a spirit of evangelism, that brothers and sisters would share their testimonies and invite others to come to Sunday services.	North America Pray for churches in Canada as they gather for Thanksgiving this month. Ask that gratitude would overflow in renewed witness and acts of love within their communities.

An Invitation To Meet The Challenges

Where Most Needed

As the Canada Post strike continues, many of our Fall Care Packages remain delayed in postal depots across the country. While we had hoped these seasonal reflections and resources would already be in your hands, you can still access the full package - including our new *Seasons of Prayer* reflection guide - online today.

Inside the package is also an invitation to give to [Where Most Needed](#), helping CBM respond faithfully and strategically when unexpected needs arise. If you normally give by mail, we encourage you to stay connected by giving online at [cbmin.org/donate](#) or by phone at 905-821-3533. Your continued prayers and generosity ensure that vital ministry with our global partners carries on without interruption.

This season, we're asking you to join us in three ways:

- **Pray** with our global partners through [Seasons of Prayer](#)
- **Think** deeply about generosity with [Giving in a Demanding Season](#)
- **Help** by giving now to [Where Most Needed](#)

Give Online

Global Gratitude Day

On October 2nd, across every region where CBM serves, we paused together to say *thank you*.

Every gift given, every prayer offered, and every step of encouragement shared has helped CBM walk faithfully alongside churches and partners locally and globally.

Together, we are participating in God's mission of **love and hope, lived out in word and deed, through words and actions.**

FAITH MEETS WORK

The full album from [Common Place Worship](#) - **Work Songs** - has been released! Available now wherever you stream your music, including on [Apple Music](#), [Spotify](#) & [YouTube](#)!

Over the past year, Vennture has been working with a group of songwriters in Atlantic Canada to create songs for the singing church that reflect how our work - whatever and wherever it is - has Kingdom value.

Check it out while you work today and let it be an encouragement and reminder that your work matters to God.
