

### Greetings,

As summer begins, we are reminded that mission often starts simply: by paying attention to where God is already at work and responding faithfully, one step at a time.

Across the CBM family, we see this taking shape through churches getting active in response to hunger, communities being strengthened through faithful partnership, and people serving their neighbours with compassion, creativity, and hope.

As you read this month's updates, we hope you are encouraged by these stories of people building relationships, listening well, and responding to practical needs in their communities. May they inspire you to join us in this next season ready to get active and participate in the work God is continuing to do around us.

With gratitude,

CBM's Communications Team

## Stronger Churches. Stronger Communities.

There's still time to strengthen churches and communities in Bolivia!

Thank you to everyone who has already given to CBM's Stronger Churches, Stronger Communities appeal. Because of your generosity, churches in Bolivia are continuing to share Christ's love in practical, tangible ways, through community gardens, educational programs, and a church-led pharmacy.

Each photo below offers a glimpse of what this looks like in real life: children learning and growing, families accessing care, and churches building lasting relationships with their neighbours.

Your gift helps make this kind of ministry possible. If you haven't yet given, we invite you to join us today and help strengthen churches as they serve their communities with compassion, dignity, and hope.

### Celebrating 20 years of Faithful Ministry!

Recently, we had the privilege of celebrating Elie and Mireille Haddad as they concluded 20 years of ministry with CBM.

Over the past two decades, they have faithfully served alongside churches and partners across the Middle East and North Africa, offering compassionate leadership, faithful witness, and deep care for the communities they walked with.

While this marks the end of their time with CBM, their ministry and personal projects will continue in this next season. We are deeply grateful for the lasting impact of their service and pray God's continued blessing over all that lies ahead.

Active in Mission is officially underway! This summer, CBM staff are joining the fun through the CBM World Cup, a series of soccer-themed challenges filled with friendly competition, community, and lots of laughs.

Through every challenge, we're helping strengthen food security ministries in Canada and around the world. Whether you walk, bike, play, or create your own challenge, there's a place for everyone to participate.

### Global Staff are in Canada!

Over the coming months, we are excited to welcome several of CBM's Global Staff to Canada as they visit churches, share stories, and connect with the wider CBM family.

These in-person gatherings are a wonderful opportunity to hear firsthand how God is at work through our partners around the world. They give churches a chance to ask questions, build relationships, and gain a deeper glimpse into the communities and projects our Global Staff faithfully serve.

We are grateful for these moments of connection and encouragement, reminders that CBM's work is rooted in relationship, shaped by partnership, and strengthened as we continue building the Church together.

## Pray With Us

### Prayerline June 2026

#### Africa

Pray for communities in Eastern Democratic Republic of the Congo, Uganda, and South Sudan affected by the ongoing Ebola outbreak. Ask God to bring healing to those who are ill, comfort to affected families, and wisdom, strength, and protection for healthcare workers and those responding to the crisis.

#### MENA

Pray for wisdom, discernment, and courage as our partners seek to faithfully serve and share the love of Christ amid ongoing instability in the region. May God open doors for ministry and provide guidance in responding to emerging needs.

#### North America

As summer begins, pray that pastors and church leaders would find opportunities for rest and renewal. May God refresh them with his presence and continue to guide them as they lead their congregations in faithful witness and service.

#### Latin America and Caribbean

Pray for CBM staff member Bill Dyck as he travels to the CBM office in June for meetings focused on Latin American ministry in North America. Ask God to guide conversations, strengthen partnerships, and provide wisdom as plans and priorities are discerned together.

#### Asia

India àC\* Soura Baptists (SBCMS) - Pray for the Soura Baptist Churches Mission Society (SBCMS) as pastors, evangelists, deacons, and church members gather for their annual conference in early June. May this be a time of spiritual encouragement, deeper unity, and renewed commitment to sharing the hope of Christ in their communities.

#### Europe

Marburg, Germany - CBM staff Xiaodan and Philipp are preparing in June to spend the rest of the year abroad for language training and visits of mission partners. Please pray for their preparations for the journey and that this transition period until their return will go smoothly for the people they serve in Germany.
